C.P.S. Fee Schedule

The following is a copy of a letter sent by California Physicians' Service to Dr. William L. Bender, chairman of the Fee Schedule Committee appointed by the Council of the California Medical Association to revise the C.P.S. fee schedule:

"Dear Doctor Bender:

"For the purpose of discussing the revised fee schedule prepared by your committee, the Board of Trustees of C.P.S. held a special two-day meeting on February 26th and 27th, most of which was devoted to a study of the schedule. Your letter of transmittal and the revised schedule had been mailed to the trustees two weeks before the meeting, so that all might be familiar with their content.

"Because of the tremendous amount of ground covered in this complete revision, it was felt advisable to appoint a sub-committee of the board to meet with members of your committee, in order to discuss financial implications, policy changes and other matters that were suggested by the Fee Schedule Committee. Dr. Goin appointed Dr. Kendrick Smith of Los Angeles (chairman), Dr. J. Frank Doughty of Tracy, Dr. Henry L. Gardner and Mr. Ransom M. Cook, both of San Francisco, with Drs. Larsen and Gardenier to furnish any needed technical advice. It is my understanding that a meeting of this sub-committee with members of your committee has been arranged for March 5th, in order to discuss these questions frankly.

"The board has asked me to express to you and your committee our sincere appreciation for the tremendous job that you have done. We realize that it is timely that the fee schedule be completely reviewed with respect to overhead of the profession and recent developments in the practice of medicine. We also recognize the time and effort that the committee has put into this work, and assure you that every practical consideration will be given to your recommendations. We believe that members of the profession likewise should know of the fine job that you have done, and are so informing them."

Sincerely yours,

CHESTER L. COOLEY, M.D., *Secretary*

In Memoriam

BALL, WENDELL LEE. Died November 14, 1948, aged 36. Graduate of the University of Oregon Medical School, Portland, 1938. Licensed in California in 1938. Doctor Ball was a member of the Monterey County Medical Society, the California Medical Association, and the American Medical Association.
